DULLES' SISTER ASSAILED**Inspection of Berlin Espionage
Is Scored by Moscow**

MOSCOW, Feb. 11 (AP) — The Soviet newspaper ~~Trud~~ reprinted from an East German Communist paper today a denunciation of Mrs. Eleanor Dulles, sister of United States Secretary of State, John Foster Dulles and the Central Intelligence chief, Allen W. Dulles.

Mrs. Dulles is a State Department official in charge of matters concerning Berlin. The widow of David Blondheim, who died in 1934, Mrs. Dulles uses her maiden surname.

The Soviet trade union paper asked, "What does all this fuss about her inspection of espionage groups against the German Democratic Republic and her financing of new acts of banditry against German working people prove? It proves that in the United States there are still people who, ignoring the spirit of the times, pursue the idea of a single 'crusade' against the countries of peoples' democracy."
